**LA VENEZIANA  
TREND ORIGINA™**

A tribute to the ever-changing, always beautiful Venetian Terrazzo. From the palazzos to Art Deco, the transformation of this precious surface has evolved over time and continues today.

### TRASCENDA™

The ultimate expression of nature, art and the human mind. Trascenda is a deep human impulse. A deep-rooted desire to leave an impression, a trailmark, even after we've disappeared. Impressions which last, transcend time, transcend space.
